Day 5 Wednesday 21st February 2024

Lazy start today, enjoy breakfast at your leisure and meet the group after lunch for a tour of the world renowned author Colleen McCullough's home. Colleen created a majestic home on Norfolk Island in 1979 with her husband Ric Robinson. Ric and Colleen's home was never open to the public until her passing in 2015. This exclusive guided tour to the author's magnificent property will take us through the homestead, viewing some of their priceless collections from around the world. Tonight we partake in the Commandants Dinner, a factual yet fun dinner where we will be taken on an entertaining journey back in time. Enthralled by the Commandants' stories about the notorious Convict Settlement on Norfolk Island and how the convicts were treated by sadists and reformers alike. The Commandants; Dinner is a night of great entertainment, delectable food and loads of fun. *Overnight South Pacific Resort Hotel B, D*

Day 6 Thursday 22nd February 2024

This morning we have a couple of choices of the route in which we take to get to our clifftop BBQ Breakfast. A stroll through Palm Glen Reserve, or for the more energetic, a leisurely 3.5km walk through scenic Mt Bates to Captain Cook Monument. At the end of the walks we meet on the cliff top for a delicious BBQ breakfast. If you prefer not to rise early for the bush walk, you'll join the group at Captain Cook Monument for the BBQ breakfast. Today we will sit back, relax enjoy the company of three passionate locals who will give us a taste of the islands local produce. Firstly we will visit a local beekeeper's home and see their flow hives and incredible flight paths of the fascinating endemic honeybees. Next stop is a beef and dairy farm, supplying fresh milk and cheese for the market-place, and to get a taste of the local beef sausages. Last is a cooking demonstration, where we will learn about traditional Island methods, handed down by our Tahitian fore-mothers. Tonight we will enjoy an Island Fish Fry, a feast of Island dishes, salads, homemade bread and fresh fried fish, followed by Island desserts and tea or coffee. Take in the scenery of Norfolk's beautiful western coastline and enjoy some local entertainment. *Overnight South Pacific Resort Hotel B, D*

Norfolk Island 17—26 February 2024

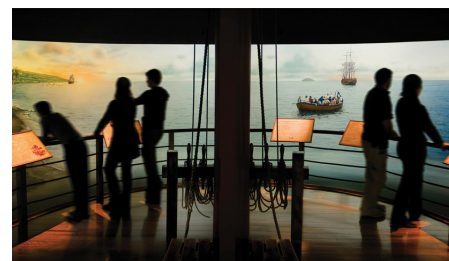

Day 7 Friday 23rd February 2024

After breakfast this morning we will embark on a gardeners delight tour. This tour will take us on a journey behind the scenes to experience a market garden complete with a flower garden and an orchard, a secluded old Island home surrounded by the most amazing gardens; a labour of love garden which is inspirational. Morning tea will be served at scenic location. This afternoon we cruise on a glass bottom boat with local Islanders Donald and George who will share with us their knowledge of Norfolk's unique marine ecosystem. Once you've 'walked the plank' with these Mutineer descendants it takes only 60 seconds (yes, one minute!) to be at the reef. View beautiful coral gardens and tropical fish on Norfolk's calm crystal waters, with full interesting commentary on this environmental tour. A fun night out tonight as we dress up as a convict (outfit supplied) and join with the commandant for an evening of gaiety, feasting, singing and dancing. Great food! Great fun! Norfolk's only dinner and dance night – this is the most popular feature dinner on Norfolk Island. *Overnight South Pacific Resort Hotel B, MT, D*

Day 8 Saturday 24th February 2024

First up this morning we visit Fletchers Mutiny Cydorama which provides a total experience as we walk inside one continuous 360° panoramic painting and feel as though we are standing on a pier or ship deck and are a part of the scenes. Walk inside this unique work of art that will take us on an incredible journey. Discover how the world's most famous mutiny created the Pitcairn and Norfolk communities. Then sit down and enjoy a delicious scone, jam and cream with a choice of tea or coffee. Tonight's final experience is a Sound and Light Show. The stillness and the stars are there just as they were before mankind arrived in 1788. However, with dramatic use of real life sounds, theatrical lighting and costumed actors, the stillness is broken as we are taken through the horrifying decades of Norfolk Island's convict era. *Overnight South Pacific Resort Hotel B, MT, D*

Day 9 Sunday 25th February 2024

A relaxed start to our final day on the island. We enjoy breakfast at our leisure, take one last stroll into town, do some last minute shopping or enjoy a cuppa at the local café before packing our bags and heading to the airport after we have lunch. We arrive into Sydney back to our budget hotel in time for our final evening meal together where we can reflect on our experience. *Overnight Ibis Hotel Sydney Airport B D*
